  - iii. **Approval of Minutes from previous meeting:** The minutes were approved
- v) **Open Issues:**
- a) Updates on the City Park sign in Kinsmen Park: Kevin Redekop from Metal Shapes, will be making the sign talked about design options to consider that minimize cost and maximize the esthetic while also trying to prevent vandalism. Pictures of the rock will be taken to see if white or black is better choice. Matte spray paint will be the easiest to touch-up down the line. Kevin will create a design mock-up.
  - b) Holiday Train, December 4<sup>th</sup> (Olivia Hilderman): City Park will be coordinating with North Park for this community event. Plan is to have activities from 7:30pm to 8:30 (or when the train comes) including firepits (with volunteers supervising). Two to three porta potties will be needed. Check into having school groups (Montessori?) selling snacks. Karaoke? Affinity will help cover costs (What is highest cost item?) Shoppers may put table up with items people can buy for the food bank.
  - c) Recreational Volleyball (Olivia Hilderman): There is a lack of opportunity for non-elite players. Applying for a youth grant to provide an honorarium for a coach and checking on potential gym times.
  - d) Movie in the gym (January) details to follow.
  - e) Winter Festival (February): Have a winter festival grant for this event which will be an expanded rink day. Will put a group together next meeting.
- vi) **Reports:**
- a) Treasurer's Report (Jerah Korol): Waiting on invoices for final review, almost everything is together. In process of closing CIBC account. Need to check on insurance renewal.
