

CITY PARK COMMUNITY ASSOCIATION

Fall 2020 Newsletter

CPCA REPORT

Hello City Park! We hope you are well and have been soaking in the fall colours. It's a strange time (I'm sure no one has heard that statement in the last 6 months...) to be thinking about community building without being able to bring people together, but we are committed to do our best. This fall, we were able to offer two virtual yoga classes and a writing course and are hoping to do the same in the winter. If you're interested in programming, please visit our website.

We welcomed a couple new volunteers to our board: Caroline Schuett as treasurer and Brendan Andrews as Special Events Coordinator. We also said goodbye to a couple of incredible individuals; we'd like to say a huge thank you to Rebecca Koskie and Jerah Korol for their time, energy, and dedication. In other exciting news, we should have a new City Park sign at some point this year. You can see the rock at the corner of Kinsmen Park under the power poles, now we're just waiting for the lettering to be installed. We are currently in the process of getting approval for a mural on the entrances of the underpass near Wilson Park. This is in the early stages, so stay tuned.

Wash your hands, wear your mask, and keep smiling everyone.

WE NEED YOU!

We are always looking for more community members to get involved! Available positions: Vice President, Indoor Program Coordinator, Soccer Coordinator, and General Helpers.

We're also looking for people within City Park interested in sharing short videos about themselves, the neighbourhood, or some of their skills. This could look like a renovation video, a 'how to' winterize your bike, videos of the pelicans at the weir, a general hello, or anything you want! We're looking for ways to connect neighbours in a safe, physically distanced way. Let us know if you're interested or if you have any other ideas!

CONTEST ALERT!

Winter is here and so is our holiday decoration contest. Submit pictures of you decorations [here](#) and vote on your favorites on Facebook and Instagram. Prizes will be awarded to first and second place.

HAVE SOMETHING TO SHARE?

If you would like to share something with the community, please get in touch! We can post things on our website and social media, or include it in our newsletter. The newsletter is also a great, inexpensive way to advertise your business!
